OECD PISA VIDEOS: SHANGHAI AND GERMANY

13 April 2017
Thursday
1.30 pm

Room 401-402
Meng Wah
Complex

(Doors open at
1.20 pm)

All are welcome

The OECD PISA results have influenced educational practices in many countries around the world. This month, we show OECD videos highlighting education practices in Shanghai and Germany. Though both regions tackle similar problems relating to performance gaps between advantaged and disadvantaged groups, their approaches are quite different. Join us to gain a comparative perspective and engage in insightful discussions.
