WHY MSc(LIM)?

“Information only becomes knowledge in the hands of someone who knows what to do with it.”

Peter Drucker

The MSc(LIM) is designed to prepare candidates for professional work in the information sector, the fastest growing area of the economy. It is the only local University with library and information studies programmes at the Bachelor and post-graduate levels.

Information is the new currency

WHY MSc(LIM)?

The MSc(LIM) is **professionally accredited** by the Chartered Institute of Library and Information Professionals (CILIP), UK

Information is the new currency

WHY MSc(LIM)?

- First such award offered by a Hong Kong university
- A program tailored to the unique needs of Hong Kong
- The MSc(LIM) acts as both a first qualification and as an advanced qualification depending on entry knowledge

PROGRAMME AIMS

Designed to prepare people to

- be ‘informed, reflective practitioners’ in the information age;
- develop information leadership capacities that can be used in a wide variety of environments both profit and not-for-profit: traditional library settings, education settings, business settings, and as consultants.

Information is the new currency

WHO SHOULD APPLY?

- Everyone who holds a degree, deals with information, and wants to provide leadership!
- People who are already engaged in the information professions and are seeking a postgraduate qualification.

WHAT DO MSc(LIM) STUDENTS/ ALUMNI SAY?

“Lecturers from the MSc(LIM) programme are experienced guides and good motivators, who inspire students to dig deeper into the subjects and to find new discoveries. Their guidance and feedback stimulate our thoughts and streamline our thinking process, and at the same time, help to identify our own weakness and broaden our perspectives. This interactive learning journey is indeed an important foundation for both personal and career development.”

Charlotte (Graduate), Research Analyst of a European bank in HK

“The MSc(LIM) programme provides the knowledge to me which can benefit my work. Besides, the programme structure is flexible and most of the courses make use of online materials. It allows me to have a good work-life balance and flexibility of time arrangement.”

Andy (Graduate), IT Officer of a University library in HK

Information is the new currency

WHAT DO MSc(LIM) STUDENTS/ ALUMNI SAY?

“The MSc[LIM] programme covers a large amount of professional knowledge and skill sets, including information behaviour, collection management, and organizing information which are all important for library workers. The programme is definitely a stepping stone for people who decide to make librarianship their profession as well as to accelerate career advancement in the field.”

Lewis (Graduate), Reference Librarian of a University Library in HK

“The MSc(LIM) programme in HKU gave me opportunity to shift my field from sociology to library information management. I choose the MSc(LIM) programme not only because of the reputation of HKU, but also the flexible option for mode of study and the option for choosing a dissertation or an independent project.”

Fred (Graduate), Research and Data Services Librarian of a University library in HK
