

**HKU Summer Institute  
Cross Cultural Summer Enrichment Programme (CCSE) 2025**

**Fellowship Invitation (HKU)**

July 14 to Aug 1, 2025

**Cross Cultural Summer Enrichment Programme (CCSE)** is a programme combined with **language, exchange, and mentoring** aimed at fostering knowledge sharing, expanding participants' networks, and creating a supportive environment for growth and connection.

Students of the world's leading universities are invited to join this very meaningful programme and become a CCSE Fellow to engage in the programme in Hong Kong during their summer holiday in 2025.

Fellows from overseas and HKU will collaborate to co-design classes for the participants at HKU. HKU lecturers will provide professional coaching to the fellows before they deliver their self-designed lessons, to teach the students from Secondary 1-5 (Garde 7-11 / Year 8-12). As a Fellow, you will deliver self-designed lessons, which is a cross-cultural programme that encourages intellectual and cultural exchange amongst all participants using English as the medium of communication. Students will benefit from joining this programme in developing their global identity, values and worldviews.

The Cross Cultural Summer Enrichment Programme incorporates a mixed learning mode combining both classroom and experiential learning. The programme covers eight elements,

- i) Field trip and Outing Activities
- ii) Experience Sharing for Cultural Exchange
- iii) Interactive learning Exercise
- iv) University Lecture
- v) Rotation Lesson
- vi) Workshop for Presentation and Communication skills
- vii) Immersive University Life experience: High Table Dinner
- viii) Movie night and Sharing

By joining the CCSE Programme 2025, you'll have the opportunity to discover your potential and increase your confidence and capacity for future development through cultural exchange.
