Feeling Good and Doing Good

Flourishing

“ One of the Core aims of Positive Education is that individuals flourish –that they have greater wellbeing, a greater sense of purpose , and more life satisfaction. We want people to live the life that they have been given for the short portion of time they have been given it –and to enjoy it more. “

**Stephen Meek, Principal
Geelong Grammar School
Positive Education – The Geelong Grammar School Journey**

Flourishing Tree
— OF LIFE —

Why Positive Education ?

* **Well being of everyone**

- **To help students / staff develop a positive outlook on life .**
- **Just positive thoughts are not enough , we need to promote strong and nourishing relationships with self and an others – Positive feelings and actions.**
- **Not a new theory / concept in HKUGAPS.**

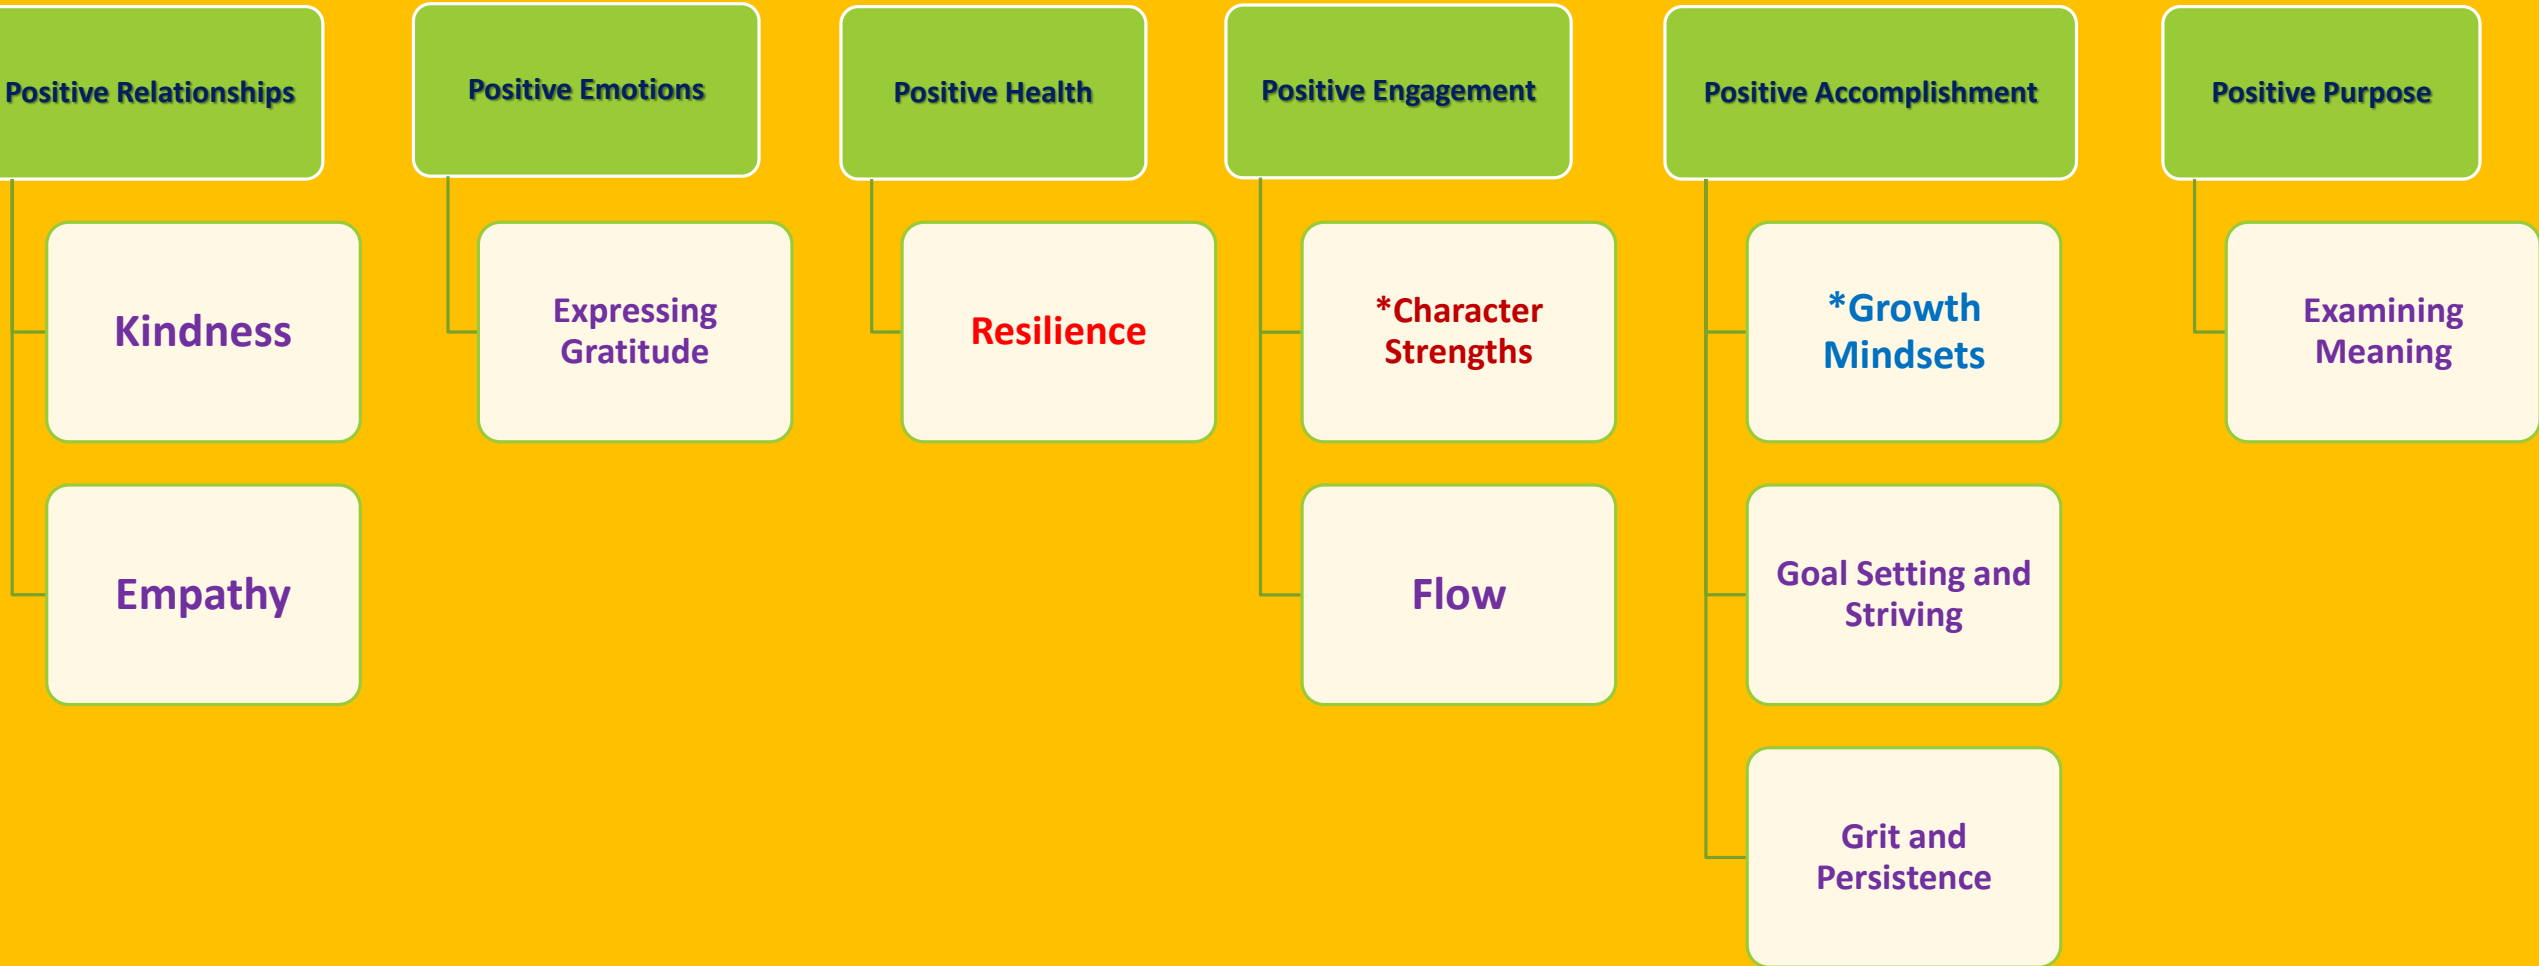

Guiding principles

The “Positive Education Model” from Geelong Grammar School will be our main reference

- **Whole School approach to implement Positive Education**
- **All staff (teachers) should be “involved” in promoting Positive Education**
- **Priority: Positive Relationship, Positive Health , Character Strength**

Learn it . Teach it. Live it. Embed it

Selected 10 Key Development Focus on Positive Education

*Character Strengths and Growth Mindsets should be taught first among all these topics
