POSITIVE EDUCATION AT TEEENGINEER

TEACHING PRACTICUM

Our story
Founded in 2014, Teengineer is one of the first institutes founded in Hong Kong to promote the training, education and dissemination of Positive Psychology. Positive Psychology is the scientific study of the strengths that enables individuals and communities to thrive. The field is founded on the belief that people want to lead meaningful and fulfilling lives, to cultivate what is best within themselves, and to enhance their experiences of life.

Based on positive psychology and coaching methods, we have advised more than 80 secondary and primary schools on positive education strategies. Our projects include resilience, motivation, meaning of life, building high-quality connections, transcending limiting beliefs, and identifying aspirations. Some of our work partners include:

- Education Bureau
- HKSAR Chief Secretary of Administration Office
- Airport Authority
- The Hong Kong College of Anaesthesiologists
- Hong Kong Jockey Club
- South China Morning Post
- Hong Kong Red Cross Hospital Schools
- St. James’ Settlements
- HKU, HKUST, CUHK, CityU, HKSYU, EDUHK

Eligible students
PGDE / Education major students who meet the following criteria will be considered for teaching practicum:
- Having keen interest in positive education
- Eager to learn how to apply positive education strategies in subject teaching
- Flexible and open to new ideas
- Good command of English and Chinese
- Experience in digital design / social media management is a plus.

Teaching practicum
The positive school project (PSP) provides strategic development plans and tailored positive education solutions to our partner schools along their school improvement plan.

At this position, you will gain exposure to:
- Positive education concepts and classroom application
- Educational event(s) organisation
- Strategies and management of positive education implementation

As a teengineer, you will work with our team on the following:
- Teach/Co-teach in positive education programs
- Co-develop positive education activities
- Develop teaching materials and content
- Plan and execute school programs

Program period
Period 1: Late March – Early May
Period 2: Early May – Late June
(2-3 full/half day per week)

Apply for a practicum
Send in your CV with a cover letter by email: life@teengineer.hk
Shortlisted candidates may receive an online interview.

Location
