Parents’ Education Talks 2019/20

Positive Me Positive Kid
2019.12.15

Speaker: Dr Sylvia Liu
Faculty of Education,
The University of Hong Kong
Positive Parents Guide Kids to Stay Positive

**Means**
1. Play education - Play is a language
2. Catch them right - Identify individual strengths
3. Reflection and appreciation – Enjoy the happy moments and make things even more enjoyable

**Aims**
Build up **3S** positive strengths, be healthy and happy individuals

**3S for Positive Kids**

- **Self-capability**
  I can do it myself

- **Social competence**
  Together everyone achieves more

- **Social contribution**
  Give and help each other
