

Bachelor of Science in Applied Child Development (A202)

Admissions Talk (October 2021)

Updated in October 2021

Programme Overview

- The BSc (Applied Child Development) [(ACD)] programme is a **two-year top-up degree** for holders of Higher Diplomas or Associate Degrees in the field of Early Childhood Education to upgrade their academic qualifications.
- Successful applicants shall be admitted directly to **Year 3** (i.e. there is no Year 1 or Year 2 admission).

Special Features

- The BSc (ACD) programme
 - provides students with a strong foundation in the **knowledge, skills and attitude** required for working with a wide diversity of children and families.
 - allows students to gain insights into the theories of **child development** and acquire deep understanding of the interrelationships among **theory, research, practice and policy**.

Professional Recognition

Graduates of the BSc(ACD) programme will:

(i) be eligible for registration as **Child Care Workers** and **Child Care Supervisors** under the Child Care Services Regulations;

(ii) be considered to have met the required BEd(ECE) requirement for **new KG principal appointment***.

* Based on EDB's official document, "[Professional Upgrading for Newly-appointed Kindergarten Principals](#)", a locally recognised Bachelor Degree / higher degree plus a locally recognised Postgraduate Diploma in Early Childhood Education [PGDE(ECE)] or C(ECE) qualification can be considered to have **met the required BEd(ECE) requirement for new KG principal appointment**.
