

# Bachelor of Science in Applied Child Development (A202)

Admissions Talk (October 2022)

# Programme Overview

- The BSc (Applied Child Development) [(ACD)] programme is a **two-year top-up degree** for holders of Higher Diplomas or Associate Degrees in the field of Early Childhood Education to upgrade their academic qualifications.
- Successful applicants shall be admitted directly to **Year 3** (i.e. there is no Year 1 or Year 2 admission).

# Special Features

- The BSc (ACD) programme
  - provides students with a strong foundation in the **knowledge, skills and attitude** required for working with a wide diversity of children and families.
  - allows students to gain insights into the theories of **child development** and acquire deep understanding of the interrelationships among **theory, research, practice and policy**.

# Professional Recognition

Graduates of the BSc(ACD) programme will:

(i) be eligible for registration as **Child Care Workers** and **Child Care Supervisors** under the Child Care Services Regulations;

(ii) be considered to have met the required BEd(ECE) requirement for **new KG principal appointment**\*.

\* Based on EDB's official document, "[Professional Upgrading for Newly-appointed Kindergarten Principals](#)", a locally recognised Bachelor Degree / higher degree plus a locally recognised Postgraduate Diploma in Early Childhood Education [PGDE(ECE)] or C(ECE) qualification can be considered to have **met the required BEd(ECE) requirement for new KG principal appointment**.

  - Guidance and Counseling
  - Contemporary Issues in Child Development

# Field Experience

- Field experience provides students with the opportunity to **apply and integrate** the knowledge gained from coursework to research and practice.
- Field experience sites include **research organisations, non-profit organisations and other professional settings**.
  - Special educational needs, family support services, children’s rights and protection
- Your work will be supervised by the Field Supervisor at the placement site and by the Faculty Supervisor through a series of seminar meetings.

# Independent Project

- In second year of study, students complete an **independent research project** under the supervision of a Faculty mentor in a self-selected area of interest.

# Other Learning Opportunities

- [Experiential Learning](#) in the summer
- Exchange programme in the summer
  - Universities attended by BSc(ACD) students before:
    - University of California, Los Angeles
    - The University of British Columbia, Canada
    - Yonsei University, Korea
    - University of Helsinki, Finland

# Why choose HKU?

- **Internationally, HKU Faculty of Education ranks No. 8 in the QS World University Rankings for Education 2022**
- Well established **reputation** in early childhood education
- **Freedom** to explore and **broaden** opportunities
- **Supportive** learning environment
- **Flexible** career and study pathways
- Programme instructors with **extensive local and international teaching and administrative experience in early childhood settings**

# Career Prospects

**Teaching positions** in schools and child care centres, special schools and other educational settings

**Administration** in NGOs, family and children's agencies and other educational bodies

**Research opportunities** in organisations and tertiary institutions

**Further studies** in the field of early childhood education and related areas

# Admission Requirements

- Candidates holding a recognised **Higher Diploma/Associate Degree in Early Childhood Education** of at least two years in duration from a community college in Hong Kong are eligible to apply.
- Final-year students on such programmes can also apply and their applications will be considered subject to their completion of the programme by August 2023.
- There are **30 places for admissions** to the BSc(ACD) programme for the September 2023 intake.

# Application Process

- Applicants should submit their applications through "[Admissions to Senior Year Places](#)".
- Programme Code: A202
- You are strongly advised to put this programme as your **1<sup>st</sup> choice**.
- Shortlisted candidates will be invited for an **interview and a written test in February – early April 2023**.
- Admission decision will be announced on a rolling basis starting from February / March 2023 up till the end of August 2023.
